Subject: COVID-19 Outbreak - Updates

Dear valued customer

World Health Organization announced COVID-19 a pandemic on March 11, 2020. In its message, it balanced the certainty that the coronavirus will inevitably spread to all parts of the world.

After the spike of Covid-19 cases in Malaysia, the Prime Minister made an announcement on nationwide restricted movement order from 18th – 31st March 2020. To enforce the restriction of gathering and events, all houses of worship and business premises must be closed except for essential services such as water, electricity, energy, telecommunications, transport, oil, petrol, safety and defense. Foreign tourists and visitors will not be allowed in.

All our 766, 767, 768, 752 and 753 series resistor network which are manufactured in Johor Bahru, Malaysia will be impacted by the lockdown from 18th – 31st March 2020.

We wish to assure our Customers that we will continue to monitor closely and continue to keep you updated on the situation.
